

# Lake George Arts Project

The Lake George Jazz Weekend is fortunate to be blessed with our angels, Kenneth and Susan Gruskin. They have given vital support to our festival for 11 years running, and have again committed to supporting the 2020 festival. In addition, the Gruskins have promised to contribute an additional \$5,000 if we can raise a matching amount from our audience and other stakeholders. *Each dollar you donate is really worth \$2.00.*
